

# Inclement Weather & Power/Internet Outages

We know that our Sky Valley weather can be unpredictable. Please review the information below so that you know what to expect when there is inclement weather or a power outage before or during the school day.

## Inclement Weather

In the event of inclement weather, we will do our best to make decisions regarding in-person learning on or by 5:30 am. Announcements will be made to staff and students via [FLASHALERT](#) notifications, robo-emails/texts/calls, posts to the [DISTRICT WEBSITE](#), and social media postings. Please remember to update your contact information with your student's school.

### If 'School Closed'

All schools are closed. No out-of-district transportation will be provided. No AM/PM facility usage.  
\*Notification will include distance-learning instructions.

### If '2-Hour Late Start'

No AM in-person classes/sessions. PM in-person classes/sessions will start on time. No out-of-district transportation. Buses on snow routes will be specified.

### If 'Limited Bus Transportation'

Schools offering in-person learning will be open but bus routes may be adjusted due to snow, ice, flooding, or power outages/downed power lines. Parents will need to drop-off/pick-up students at their designated location or directly at the school.

## Power/Internet Outages

### Students

If you lose power or internet at home, please do the following, if possible:

- Contact your teacher or school office to report the outage.
- Continue to work on previously assigned learning activities.
- Participate in on-demand activities if possible.

### Employees

If you lose power or internet at home, please do the following, if possible:

- Contact your principal or supervisor to report the outage.
- Send a message to your students to engage in on-demand learning activities.
  - \* If you are unable to send a message to your students (through Canvas or email) then please connect with your school office, building principal, or supervisor for direction or assistance.
